Form CRS Customer Relationship Summary (As Amended January 20, 2022)

<p>Introduction</p>	<p>TD Ameritrade Investment Management, LLC (TDAIM, we, our or us) is registered with the Securities and Exchange Commission (SEC) as an investment advisor. We are an affiliate of TD Ameritrade, Inc. (TDA), a broker-dealer and investment advisor. TDAIM and TDA are wholly-owned subsidiaries of The Charles Schwab Corporation (Schwab). Brokerage and investment advisory services and fees differ and it is important for you to understand the differences. Free and simple tools are available to research firms and financial professionals at Investor.gov/CRS, which also provides educational materials on broker-dealers, investment advisors, and investing.</p>						
<p>What investment services and advice can you provide me?</p>	<p>We offer investment advisory services primarily to retail investors. Certain accounts subject to Title 1 of the Employee Retirement Income Security Act of 1974 (ERISA) are not eligible for this program. Our principal services are managed portfolios for long-term investors known as the Essential Portfolios, the Selective Portfolios and the Personalized Portfolios. They are provided on a discretionary basis involving continuous management of client accounts, with periodic reviews and rebalances and optional tax-loss harvesting. TDAIM's services use its affiliate Charles Schwab Investment Management, Inc. (CSIM) to provide consulting, which will include recommending asset allocations and specific funds.</p> <p>TDAIM's Essential Portfolios are provided on a digital, online basis via the Internet. They include five Core asset allocation models and five Socially Aware (ESG) asset allocation models. All the models use ETFs as the investment vehicles, along with a small portion of cash and cash equivalents. TDAIM has closed its Essential Portfolios service to new investors but will continue to serve its existing clients.</p> <p>TDAIM's Selective Portfolios include the Core Mutual Fund, Core ETF, Supplemental Income, Opportunistic and Managed Risk Portfolios, with asset allocation involving ETFs or mutual funds as the investment vehicles, along with a small portion of cash and cash equivalents. A TDA financial consultant (FC) can assist you with these portfolios.</p> <p>TDAIM's Personalized Portfolios are a more tailored discretionary investment management service, with a wide variety of investment vehicles available. They include separately managed accounts with third party investment advisors that entail additional fees. Clients work with both a TDA FC and a dedicated TDAIM Portfolio Consultant to establish a custom portfolio designed to fit their circumstances.</p> <p>The Selective Portfolios minimum initial investment amount is \$25,000. The Personalized Portfolios minimum investment amount is \$250,000.</p> <p>For additional information, please see our Form ADV, Part 2A brochure at the following link: TDAIM Form ADV, Part 2A brochure: https://www.tdameritrade.com/retail-en_us/resources/pdf/TDA4855.pdf Conversation Starters. Ask your financial professional—</p> <ul style="list-style-type: none"> • Given my financial situation, should I choose an investment advisory service? Why or why not? • How will you choose investments to recommend to me? • What is your relevant experience, including your licenses, education and other qualifications? • What do these qualifications mean? 						
<p>What fees will I pay?</p>	<p>As a retail investor using TDAIM's investment advisory services, you will pay the annual TDAIM fees below. The Essential Portfolios and Selective Portfolios fees are charged at the beginning of each quarter, in advance, based on the prior quarter ending value. The Personalized Portfolios fees are calculated monthly and applied in arrears based on average daily values. We won't bill you for advisory fees for an account with a value of \$1,000 or less, except for Essential Portfolios (see below). <p>What fees will I pay? (cont.)</p>	<p>You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.</p> <p><i>For additional information</i>, please see our Form ADV, Part 2A brochure at the above link.</p> <p>Conversation Starter. Ask your financial professional—</p> <ul style="list-style-type: none"> • Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?
<p>What are your legal obligations to me when acting as my investment advisor? How else does your firm make money and what conflicts of interest do you have?</p>	<p>When we act as your investment advisor, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means.</p> <ul style="list-style-type: none"> • TDAIM itself only makes money from the advisory fees you pay us. • Most TDAIM clients are referred to us by TDA FCs. TDA FCs can recommend two types of investment advisory services. The first are the TDAIM services described in this form. The second is the AdvisorDirect (AD) outside advisor referral service provided by TDA Institutional (TDAI). AD helps TDA retail investors with \$750,000 or more of investable assets select an independent registered investment advisor (RIA) from the AD participating RIAs. TDA has a conflict of interest when TDA FCs guide prospects toward these services as the FCs can receive differing compensation. • For taxable accounts, the principal sweep vehicle TDAIM uses is an insured deposit account (IDA) held at one or more Program Banks, including certain Schwab banks. The Program Banks pay TDA a marketing fee based on a percentage of the amount of TDAIM client deposits with them, that ranged from 0.7% to 1.0% annually in 2021. So our affiliated broker TDA benefits financially from the deposits and you get a lower yield than if TDA wasn't paid a marketing fee. <p><i>For additional information</i>, please see the TDAIM Form ADV, Part 2A brochure at the above link. For more information about our conflicts and capacity when we provide investment recommendations for retirement accounts, go to www.tdameritrade.com/bestinterest and read our Regulation Best Interest Disclosure.</p> <p>Conversation Starter. Ask your financial professional—</p> <ul style="list-style-type: none"> • How might your conflicts of interest affect me, and how will you address them?
<p>How do your financial professionals make money?</p>	<ul style="list-style-type: none"> • TDAIM's Portfolio Consultants for its Personalized Portfolios are employed by and paid by TDAIM. Most of their compensation is comprised of base pay. The balance is incentive compensation tied to metrics such as client satisfaction. • FCs are employed by TDA but also act as investment advisor representatives (IARs) of TDAIM. Our Financial Consultants receive cash payments based on the amount of assets you have with us and the time, complexity, and expertise required to help you with any of our services; specifically, they receive compensation to navigate you to our investment advisory services. They do earn more for recommending certain services over others, but what they earn is not directly based on the revenue the firm earns. This compensation structure creates a conflict of interest. For more information on how we pay our representatives, go to https://www.tdameritrade.com/incentive-compensation page. • In addition, in connection with the affiliation with Charles Schwab & Co., Inc. (CS & Co.) beginning in 2022, FCs will be dually registered with CS&Co. and able to offer certain CS&Co. products and services. For information on CS&Co. compensation and their policies and procedures to mitigate conflicts, refer to Client Relationship Summaries like this one available at Schwab.com/transparency.
